

Dictionary of the analysis of the breweries in the region

The research was conducted using [Pubquest](#), to compile a list of establishments producing or selling craft beer in the San Diego-Tijuana region. Additionally, websites and Instagram profiles of craft beer brands were reviewed to gather relevant information. We also consulted industry association websites, such as the [San Diego Brewers Guild](#), [California Craft Brewers Association](#), [San Diego Brewcycling Collaborative](#), to obtain a list of affiliated breweries.

Information about localization

Address	<i>Address of the venue</i>
City	<i>The main cities analyzed are San Diego and Tijuana. Other cities, which belong to the states of California and Baja California, were reported only in cases where craft beer companies also own venues in other cities.</i>

General information

Name	<i>Name of establishment that makes or sells craft beer</i>
Born	<i>Date the craft beer company was founded</i>
Type	<i>Type of craft beer venue</i>
Description of different types of premises:	
Brewery	<i>Place where beer is produced</i>
Tasting room	<i>Place where beer is tasted</i>
Tap room	<i>Place serving a variety of beer brand</i>
Pub	<i>Tasting room + Restaurant</i>
Brewpub	<i>Brewery + Pub</i>
BrewTaste*	<i>Brewery + Tasting room</i>
<i>*This category doesn't exist in the reality, is only a way to sum up</i>	

Scope of interest

Interest	<i>Scope of the company's interest understood through reading the vision and mission from the website, or from posting on Instagram</i>
Actions	<i>Description of the concrete actions in the field of interest</i>
How	<i>Determining how the company acts</i>

Description of different types of events

Environment	<i>The company has an interest in preserving the environment and implements actions that can reduce its impact and/or donates to associations for its preservation. These actions may be focused on the preservation of the surrounding environment such as the sea or the desert, on attention to the use of local raw materials in order to obtain a product that enhances the area.</i>
Social wellbeing	<i>The company has an interest in safeguarding the health of the community, not only in terms of physical health, but also in terms of mental health, the civil rights of ethnic minorities, and the LGBTQ+ community.</i>
Civic involvement	<i>The company has an interest in safeguarding its city, especially for the neighborhood in which it is located, through keeping the neighborhood clean or supporting the festivals held there</i>
Culture	<i>The company has an interest in promoting local culture through art, sports, or music. In addition to creating or promoting events in this area, it also supports its foundations.</i>
Pet friendly	<i>The company has an interest in animals and therefore organizes events and/or donations</i>
Not possible to define	

Description of different types of How:

Practical actions	<i>The company takes practical actions at the level of process and choices</i>
Host an event	<i>Organization/hosting of events for the cause</i>
Foundraising	<i>Organization/hosting of fundraising for the cause</i>
Direct donation	<i>Donation to the cause</i>
None
